- October 17- Kindergarten GT parent checklist due

2nd grade students from Ms. Barnes', Ms Swindell's, and Ms. Sartor's class visited the Outdoor Learning Center last Thursday. The OLC is a place where plants and animals live and grow and where science and social studies lessons spring to life as students at all grade levels participate in hands-on activities. The students were able to explore and discover native plants and animals. These WCE Rangers were very excited to leave the traditional class room and study science in it's natural state.

The art teachers would like to recycle your old magazines. If you have magazines piling up around the house, please send them in with your Ranger. The magazines will not be returned.

WCE will once again participate in the Campbell's Labels for Education program. This is easy money that is earned for WCE. All you have to do is clip the labels from participating Campbell's products. The attached list can be hung on the refrigerator as a daily reminder of the Labels for Education program. Points earned will go towards products that will enhance our children's educational experience. If you would like to view a catalog of products earned through Labels for education, please visit the Campbell's soup website at www.labelsforeducation.com. If you have any questions about WCE's participation in the program, please email fundraising@woodcreekelementarypta.org.

Good news for those Rangers who chose to make a donation rather than participate in the fall fundraiser! There will be 'prizes' awarded to the money earners. The 'prizes' will be:

\$35.00 - \$74.99 – Participate in the Stinky Feet Day

\$75.00 – \$99.99 – Turn the Principal into a Mummy (plus level one above)

\$100.00 plus – Participate in the after school Pump it Up Party (plus levels one and two above)

The WCE PTA thanks you for your donation. If you would like a receipt for tax purposes, please email fundraising@woodcreekelementarypta.org.
