Morning Drop off Reminder

As we quickly approach the end of year, please remember to follow our procedures for morning drop off correctly. This includes dropping off at the front of the school only. We ask that parents not drop off in the bus drive area, the kindergarten drive, or the streets around the school since there are no staff members present to ensure your child's safety. We also ask

that when entering and exiting our parking lot in the morning, you turn right only. This helps the line to move quickly. Thanks for your cooperation!
